Morgania Moore's "In the Dust" is one of the imaginatively augmented landscapes on view through Saturday at Vessel.

It starts with the attempt to portray a scene of nature, but things soon take their own course. "Nature is unpredictable," says artist **Morgania Moore**, who works in plaster, wood and metal. "It can be graceful and simple. It can be catastrophic. ... The spontaneity that's part of my creative process can give me results as unpredictable as the ones nature gives us."

Ends Sat. 11 a.m.-6 p.m. Tues.-Sat. Vessel, 471 25th St., Oakland. (510) 893-8800. www.vessel-gallery.com.
